Photo Intelligence Memorandum

CCAF AIR FIELDS OPPOSITE FORMOSA
(Supplement #1 to GP/I-66, dtd. 16 March 1955)

| <u>Field</u> | <u>Comment</u> |
|--------------------|-------------------------------------|
| Nan-T'ai (Foochow) | see below |
| Swatow | see below |
| Lu-Chiao | no additional photography rec'd. |
| Ma-Chiang | no change -- non-operational |
| Chiang-Ting | no change -- non-operational |
| Kao-Chi | no change -- non-operational |
| Chien-Ou | no change-- non-operational |

Nan-T'ai (Foochow) - On [REDACTED] it was reported that two 4-gun medium AA positions had been constructed between [REDACTED] and that the positions were unoccupied. However, [REDACTED] intervening photography just received shows all eight guns position on [REDACTED] However, as previously reported these positions were unoccupied on [REDACTED] and later cover shows them unoccupied on the [REDACTED]

Swatow - The previous report covered Swatow through [REDACTED] Since that date two 4-gun medium AA batteries have been constructed and were occupied on aerial photos of the [REDACTED] As in the case of Nan-T'ai Airfield, one 4-gun battery has been placed [REDACTED] each end of the main runway.

Further information will be forwarded as additional photography is procured.
